My dear Sir:-

Please accept my thanks for your letter of January 31st, and for your kind offer to give the Society a copy of your Newburgh Hudson Fulton medal, if we lack it in our collection..

We have one of these medals in bronze. It is on exhibition together with your large medallion of Washington Irving. If you can spare us another specimen we would be very glad to have it as it would enable us to exhibit both sides of the medal at the same time.

Very truly yours,

Secretary.
